

To St. Mary's Parishioners - Group Email/Cell Message #19 – July 30, 2020

"It happens that in life, despite hard work, we gain little. We feel like the disciples in today's gospel facing a great need with only five loaves of bread and a few smoked fish. In our human calculation such a configuration always heralds a catastrophe. Yet God always proves to be greater than human poverty and stronger than human weakness. God always puts around us persons who, out of love, support us generously and through His blessing He multiplies our insufficient resources of love and goodness. The key to understand and experience it is faith, for everything is possible for the one who believes."

Dear parishioners,

I would like to express my cordial gratitude for the welcome I encountered coming to this parish. Special thanks to "daily mass attenders" for your witness of faith and piety. It is a gift from God to be able to serve in St. Mary's Church and to administer the sacred mysteries to the people of faith. May the Merciful Redeemer and Mary Most Holy continue to guide and protect you especially during a difficult time of the pandemic.

God bless you.

Fr. Jacek Cydzik, Redemptorist (Temporary Replacement)

Dear Parishioners,

Summer greetings to all of you. Hope you all find time and possibility to get some good summer rest and relaxation to recharge your personal battery for the time ahead. Unfortunately, the warm days do not provide us with some essential help with the struggle against COVID-19 as we hoped for. The influenza is still very much with us. In many countries the number of new cases continue to grow or start to reappear again. So I'd like to encourage you all once again to play your part to help our health authorities to control the spread of the virus. So please stick to the regulations there are in place whenever you enter enclosed public space including our churches. So always keep the right social distancing of 6 feet from any person that does not belong to our household, wash your hands frequently, wear the facial mask all the time except for the moment you come to receive the Holy Communion and receive the Body of Christ using your hands. There are actually no exceptions to those regulations. Please stay safe yourself and let the others feel safe as well. Those regulations are in place for the personal good of us all.

Big THANKS to Fr. Jacek for his ministry in our Parish during the month of July. We all greatly appreciate his dedication, inspirational homilies and personal kindness we all experienced during that time. Thank you Fr. Jacek, and may the good Lord continue to bless you in your future undertakings. Also, get a good summer rest.

God bless.

Fr. Roman Majek, OMI
