Dear Parishioners of St. Mary's,

On Monday December 21, Premier Doug Ford announced that, effective **12:01 a.m. on December 26**, the entire province will be in the "grey zone" (**lockdown**).

In light of this, Bishop Desrochers wishes to convey the following message:

*The Bishop strongly recommends that churches remain open for personal prayer and for sacraments that can be celebrated with the allowed **ten people present (including clergy)**. It would be possible for there to be confessions, baptisms, weddings, and funerals.*

*Priests may schedule Masses for those circumstances in which no more than ten people will be present. In some parishes, this will mean that **weekday Masses can continue**.*

The **revised Mass schedule** will be as follows and you will have to sign up for the Masses that will be said on Monday and Wednesday. Sign up sheet in church.
