

REFLECTION FOR THE DAY

The best things in life are appreciated more when they are in danger of being lost. After an encounter with serious illness, we are filled with a sense of gratitude for our health and feel a new joy in living. The real worth of our love for God flows from our ability to recognise the countless blessings, great and small, which come our way daily.

Coming together for the celebration of the eucharist makes it clear that the giving of thanks to God is an essential part of our worship and prayer life. The more we thank God for his generosity, the more we will be open to receive the joy of his blessings. Since the whole of our existence depends entirely on his will we should not let a day pass without thanking God for the good things of life and the crosses and trials that put us to the test.

Dear Lord,
on Thanksgiving Day,
we bow our hearts to You in prayer.
We give You thanks for all You have done,
mostly for the gift of Jesus Christ, Your Son.
For beauty in nature, in which we see Your Glory,
for joy and health, friends, and family.
For our daily sustenance, Your mercy and care,
these are the blessings You kindly share.
So today we offer this response of praise with a promise
to follow You all of our days.
Amen.
