

## REFLECTION FOR THE DAY

**The Holy Name of Jesus:** Jesus means in Hebrew: "God saves." At the annunciation, the angel Gabriel gave him the name Jesus as his proper name, which expresses both his identity and his mission. Since God alone can forgive sins, it is God who, in Jesus his eternal Son made man, "will save his people from their sins". in Jesus, God recapitulates all of his history of salvation on behalf of men.

In the history of salvation God was not content to deliver Israel "out of the house of bondage" by bringing them out of Egypt. He also saves them from their sin. Because sin is always an offence against God, only he can forgive it. For this reason Israel, becoming more and more aware of the universality of sin, will no longer be able to seek salvation except by invoking the name of the Redeemer God.

The name "Jesus" signifies that the very name of God is present in the person of his Son, made man for the universal and definitive redemption from sins. It is the divine name that alone brings salvation, and henceforth all can invoke his name, for Jesus united himself to all men through his Incarnation, so that "there is no other name under heaven given among men by which we must be saved."

Jesus' Resurrection glorifies the name of the Saviour God, for from that time on it is the name of Jesus that fully manifests the supreme power of the "name which is above every name". The evil spirits fear his name; in his name his disciples perform miracles, for the Father grants all they ask in this name.

The name of Jesus is at the heart of Christian prayer. All liturgical prayers conclude with the words "through our Lord Jesus Christ". the Hail Mary reaches its high point in the words "blessed is the fruit of thy womb, Jesus." the Eastern prayer of the heart, the Jesus Prayer, says: "Lord Jesus Christ, Son of God, have mercy on me, a sinner." Many Christians, such as St. Joan of Arc, have died with the one word "Jesus" on their lips.
